$ Balance villages are not feasible for electrification.

* As per the new definition of village electrification (effect from 2004-05) total number of unelectrified villages is estimated to be around 1,25,000.

NTPC facing shortage of coal

4445. SHRIMATI JAMANA DEVI BARUPAL:
DR. T. SUBBARAMI REDDY:

Will the Minister of POWER be pleased to state:

(a) whether National Thermal Power Corporation is facing a tough time because of shortage of coal from the subsidiaries of Coal India Ltd.;

(b) if so, whether the subsidiary of Coal India has pleased their inability to supply beyond the quantity specified in the fuel supply agreements signed in 1990 with NTPC;

(c) if so, whether NTPC has pointed out that they could not conferred to pay higher prices because they have limited options based on the prices; and

(d) if so, what are the steps Government propose to take in this regard?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) The following stations of National Thermal Power Corporation (NTPC) experienced coal shortage *vis-a-vis* coal requirement corresponding to Central Electricity Authority (CEA) generation targets during the year 2004-05.

(Figures in Million Tonnes)

Power Station	Requirement*	Linkage	Coal Receipt	Shortage (Requirement-Coal receipt)
Farakka	11.74	10.01	8.91	2.83
Talchar	14.75	13.62	11.54	3.21
Rihand	6.39	5.19	4.61	1.78

* Requirement of coal corresponding to CEA generation target, stock building and additional generation.

(b) NTPc has signed Fuel Supply Agreements (FSAs) with various coal companies for its 8 pit head stations and 1 rail-fed station out of a total of 9 pit-head stations and 4 rail-fed stations. During the year 2004-05, coal supplies, at the station where FSAs have been signed, were in excess of FSA quantity except at Rihand and Talchar.

(c) and (d) Payments for coal supplies at the stations where FSAs have been signed are regulated as per provision of FSA/understanding reached with the coal company. At other stations where FSAs have not been signed, payments are being made as per coal price notifications.
